

UNITED STATES-MEXICO-CANADA AGREEMENT (USMCA/CUSMA/T-MEC)
CERTIFICATION OF ORIGIN INSTRUCTIONS

For purposes of obtaining preferential tariff treatment, this document must be completed legibly and in full, and be in possession of the importer at the time the declaration is made. This document may be completed by the importer, exporter, or producer.

1. Certifier: Provide certifier's name, address (including country), phone number, and e-mail address.

2. Exporter: Provide the Exporter's name, address (including country), e-mail address, and telephone number if different from the certifier. This information is not required if the producer is completing the certification of origin and does not know the identity of the exporter; state "Unknown." The address of the exporter shall be the place of export of the good in a Party's territory.

3. Producer: Provide the producer's name, address (including country), e-mail address, and telephone number, if different from the certifier or exporter or, if there are multiple producers, state "Various" or provide a list of producers. If this information is to remain confidential state "Available upon request by the importing authorities". The address of a producer shall be the place of production of the good in a Party's territory.

4. Importer: Provide, if known, the importer's name, address, e-mail address, and telephone number. The address of the importer shall be in a Party's territory.

5. Description: Provide a full description of the good(s). The description should be sufficient to relate it to the invoice description.

6. HTS Code: For each good described in Field 5, provide the Harmonized Tariff Classification to the 6-digit level.

7. Origin Criteria: Specify the origin criterion (A, B, C, or D) under which the good qualifies, as set out in Article 4.2 (Originating Goods):

A Wholly obtained or produced entirely in the territory of one or more of the Parties, as defined in Article 4.3 (Wholly Obtained or Produced Goods)

B Produced entirely in the territory of one or more of the Parties using non-originating materials provided the good satisfies all applicable requirements of Annex 4-B (Product-Specific Rules of Origin)

C Produced entirely in the territory of one or more of the Parties exclusively from originating materials

D "Except for a good provided for in Chapter 61 to 63 of the Harmonized System:

(i) produced entirely in the territory of one or more of the Parties;

(ii) one or more of the non-originating materials provided for as parts under the Harmonized System used in the production of the good cannot satisfy the requirements set out in Annex 4-B (Product-Specific Rules of Origin) because both the good and its materials are classified in the same subheading or same heading that is not further subdivided into subheadings or, the good was imported into the territory of a Party in an unassembled or a disassembled form but was classified as an assembled good pursuant to rule 2(a) of the General Rules of Interpretation of the Harmonized System; and

(iii) the regional value content of the good, determined in accordance with Article 4.5 (Regional Value Content), is not less than 60 percent if the transaction value method is used, or not less than 50 percent if the net cost method is used

8. Country of Origin: Identify the country of origin of the good(s). ("CA" or "US" or "MX")

9. Blanket Period: Specify the blanket period up to 12 months, (per Article 5.2 – Claims for Preferential Treatment) if the certification is to cover multiple shipments of identical good(s).

10. Certification and Signature: Provide the certifier's name and title, signature, company name, date, and specify whether the certifier is the Importer, Exporter, or Producer.
